CITORI® GRAND PRIX

OWNER'S MANUAL SUPPLEMENT FOR EJECTION/EXTRACTION CONTROL

PLEASE READ AND UNDERSTAND ALL INSTRUCTIONS AND WARNINGS IN THE COMPLETE CITORI SHOTGUN OWNER'S MANUAL (SUPPLIED WITH YOUR GUN) AND THOSE FOUND IN THIS SUPPLEMENT BEFORE USING YOUR NEW SHOTGUN. FAILURE TO FOLLOW THESE INSTRUCTIONS, OR FAILURE TO FOLLOW ANY SAFETY WARNING, MAY RESULT IN INJURY OR DEATH TO YOURSELF OR OTHERS, OR MAY CAUSE DAMAGE TO YOUR GUN. IF YOUR COMPLETE CITORI OWNER'S MANUAL IS MISSING, CONTACT OUR CUSTOMER SERVICE DEPARTMENT IMMEDIATELY AT (800) 333-3288 FOR A FREE COPY OR DOWNLOAD ONE ONLINE AT: WWW.BROWNING.COM.

DISCHARGING FIREARMS IN POORLY VENTILATED AREAS, CLEANING FIREARMS, OR HANDLING AMMUNITION MAY RESULT IN EXPOSURE TO LEAD AND/OR OTHER SUBSTANCES KNOWN TO CAUSE BIRTH DEFECTS, REPRODUCTIVE HARM AND OTHER SERIOUS PHYSICAL INJURY. HAVE ADEQUATE VENTILATION AT ALL TIMES AND WASH HANDS THOROUGHLY AFTER EXPOSURE.

BEFORE STARTING DISASSEMBLY PROCEDURES, COMPLETELY UNLOAD THE SHOTGUN AND VISUALLY INSPECT THE CHAMBERS TO BE ABSOLUTELY CERTAIN THE SHOTGUN IS COMPLETELY UNLOADED. ALWAYS KEEP THE MUZZLE POINTED IN A SAFE DIRECTION.

WEAR EYE PROTECTION WHEN DISASSEMBLING AND CLEANING ANY FIREARM TO PREVENT THE POSSIBILITY OF SPRINGS, SPRING-TENSIONED PARTS, SOLVENTS AND/OR OTHER AGENTS FROM CONTACTING YOUR EYES.

BROWNING CITORI GRAND PRIX SPORTER

The Browning Citori Grand Prix Sporter Shotgun features an innovative ejection control system. This unique system allows you to choose whether fired shells are elevated from the chambers for manual extraction, or are ejected clear of the chambers. Unfired shells will continue to be elevated from the chambers, regardless of the status of the ejection control system. The ejection control system is easily changed from elevation to ejection using the included tool.

BEFORE CHANGING THE EJECTION CONTROL FUNCTION ON THE BROWNING CITORI GRAND PRIX SPORTER SHOTGUN, BE ABSOLUTELY CERTAIN THAT YOU READ, UNDERSTAND AND FOLLOW ALL THE SAFETY AND OPERATING PROCEDURES FOUND IN THE BROWNING CITORI OWNER'S MANUAL THAT CAME WITH YOUR SHOTGUN.

OPEN THE ACTION OF THE SHOTGUN AND CHECK TO MAKE SURE THE CHAMBERS ARE EMPTY AND THE GUN CONTAINS NO AMMUNITION.

REMOVING THE FOREARM

To change the mode of the ejection control feature, the forearm must be removed. To remove the forearm, perform the following operation.

1 Close the action and anchor the buttstock against your upper leg.

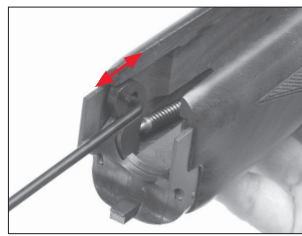
2 Remove the forearm by pulling outward on the takedown latch with your index finger. At the same time, grasp the forearm with the same hand and pivot the forearm away from the barrels.

THE EJECTION CONTROL FEATURE

EJECTION MODE

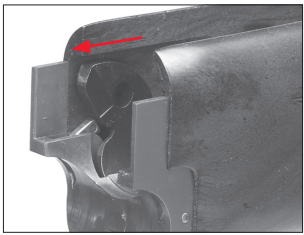
1 Remove the forearm as previously explained.

FIGURE 1



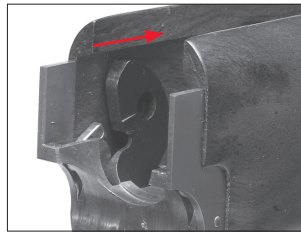
Use the included tool to change the ejection control feature.

FIGURE 2



Pull the ejector hammer fully rearward for ejection mode.

FIGURE 3



Push the ejector hammer fully forward for manual extraction mode.

2 Hold the forearm securely with one hand and place the hook of the included tool into the hole on one of the ejector hammers located on one side of the inside of the forearm (Figure 1).

3 Pull the ejector hammer rearward with the tool (Figure 2).

4 Repeat this operation on the ejector hammer on the other side of the forearm.

5 Reinstall the forearm as explained below.

MANUAL EXTRACTION MODE

1 Remove the forearm as previously explained.

2 Hold the forearm securely with one hand and place the hook of the included tool into the hole on one of the ejector hammers located on one side of the inside of the forearm.

3 Push the ejector hammer forward with the tool (Figure 3).

4 Repeat this operation on the ejector hammer on the other side of the forearm.

5 Reinstall the forearm as explained below.

REINSTALLING THE FOREARM

After changing the ejection control mode, install the forearm by sliding the projecting steel tab on the rear of the forearm bracket into the opposing recess in the receiver bottom. Pivot the forearm up until it engages the barrel. You should hear an audible “click” when the forearm is properly attached.
